

Teaching Strategies

Assess / Adapt / Apply

Assess

Observe the scene and ask.

Adapt

Consider what would be most helpful in the situation.

Apply

Before making any changes.
Does this provide reasonable adjustment?

Clarity / Conciseness / Consistency

Clarity

Keep the message clear.

Conciseness

Communication should be short and positive.

Consistency

Apply to behaviour and language.

Effective Teaching Strategies

First and Then

Utilise a favourite activity as a reward for the skill that needs to be performed and achieved.

Sandwich Method

Feedback starts with positive comments, and is followed by improvement areas, before appreciative words are used again.

Call and Respond

Provide an instruction and then request the students to repeat the instruction.

Provide the Boundaries

Providing clear and definitive boundaries throughout an activity.
