Buy it Now

1. Please select the stage you wish to complete and add to cart. (Note - module can be completed at any time, booking date is for registration purposes only)

5. Select Buy it now (\$0) and then checkout. You will need to complete all required shipping address details, and then add an attendee – if you do not complete the add an attendee step, you will receive an email requiring you to fill out enrolment details to create an account.

6. You will receive several emails containing different information. They will take a few minutes to all come through, however you will receive one in regards to Online Learning Confirmation that will provide you with a link to aXcelerate. Follow the prompts to create an account via the invitation.

7. Once in aXcelerate, you may need to check in “Current Courses” to find the course.

If you have any questions, please do not hesitate to contact us on
